

**STATEMENT OF CONCERN ABOUT LIBRARY RESOURCES**

Any citizen who has a concern about a specific item in the library's collection may fill out and submit to the Library Director a Statement of Concern form. These forms are available at any Onslow County Public Library branch library or on the Library's web site at [www.onslowcountync.gov/library](http://www.onslowcountync.gov/library). The material(s) in question will be evaluated by the Director and an appointed review team. After the review process, the patron will receive a written response regarding their concerns.
