

Accessing State medical, food and nutrition services **just got easier!**

The ePASS site now has seamless operability across mobile platforms.

New features include:

- Improved look and feel making navigation easier
- Optimized for use on mobile devices
- Fewer questions capture the same information — so you can finish faster
- Expandable/collapsible sections allow you to find answers you seek — and skip what is not relevant to you
- Personalized dashboards with important account information and notifications
- Guidance placed throughout the site based on frequently asked questions
- Ability to attach documents easily
- Links to relevant program information
- Links to paper applications and voter registration
- Timely program announcements
