**CONDITIONAL ZONING SUBMITTAL POLICY**  
**CALENDAR YEAR 2021**

**Pre-Application Meeting**

A pre-submittal meeting is required for Conditional Zoning Applications. During the meeting, the applicant should provide details on the proposed development so that staff can provide meaningful feedback on the required site plan, the process and how the plan pairs with the location and the Comprehensive Plan. Staff will discuss the neighborhood meeting requirement. The applicant will leave the meeting with the number of required stamped envelopes (two for all property owners within 300 feet of the parcel plus two) that will need to be provided with the application submittal.

**Required Neighborhood Meeting**

Prior to submitting a conditional zoning application, the applicant must hold a neighborhood meeting; the meeting purpose is to introduce the development proposal and receive feedback from the neighborhood.

- Notice of Meeting. Notice must be provided to all owners of property within 300 feet of the project property boundary. The notice must be by first class mail and shall specify the date, time, and location of the meeting, and the contact information of the applicant. The notice must be mailed between 10 and 25 days prior to the meeting.
- Conduct of Meeting. A sign-up sheet for all attendees needs to be provided. The applicant shall present an overview of their proposal and allow for at least one hour for attendees to ask questions pertaining to the proposal.
- Meeting Documentation. The applicant shall provide the sign-in sheet(s) of attendees, a summary of the comments and questions asked at the meeting, a summary of the applicant’s responses to those comments and questions, a copy of the required notice and list of recipients, the plans presented, and a summary of the presentation.

**Application Submittal Dates**

A complete application must be submitted before 5pm on the submittal date for the respective TRC, Planning Board and Board of Commissioners Meeting Dates. Note that the date shown for the Board of Commissioners Public Hearing is subject to change as the agenda content for those meetings is determined by the Clerk to the Board of Commissioners and not the Planning & Development Department.
