

DONATE TO THE LIVING TRIBUTE PROGRAM

Please support the Living Tribute program by making a contribution of a tree in Honor or Remembrance of a loved one or for a special occasion. A donation of \$25 will purchase the tree.

An acknowledgement card will be send to the honoree or their family making them aware of the gift. A thank you card confirming the donation will be sent to the donor.

Trees are planted in Onslow County public spaces throughout the year. Once a year, Keep Onslow Beautiful will hold an Arbor Day Ceremony. Invitations are sent to all donors, honorees and/or their family members to attend the celebration and help plant the trees.

Why Plant a Memorial Tree?

The gift of a tree is a wonderful way to honor or remember a loved one as well as provide a gift to the whole community.

There are many benefits to planting trees:

- Trees provide a cool, green, shady place in which to live, work, and play.
- One acre of healthy trees produces enough oxygen for 18 people per day.
- Trees reduce noise pollution by absorbing and blocking urban noise.
- Trees can be a haven of wildlife and plant diversity in the midst of a city.
- Trees will last several lifetimes and it is a *gift that keeps on giving*.
