

NATURE PROGRAMS

FIRST PROGRAM 2:30 PM

SECOND PROGRAM 3:30 PM

Sssnakes

Learn all about these slithery sensations up-close. Examine a number of living non venomous snakes and discover how to study snakes safely.

Sunday, February 28, 2010
Jacksonville High School Cafeteria

Programs are Free!

The two, one hour long programs will feature a short lecture and then provide an opportunity for hands-on participation.
