

Onslow County Term Contract

COUNTY OF ONSLOW
NORTH CAROLINA

Laboratory Supplies
Bid No. 107-22DS

Issued by:
Onslow County Purchasing Department
234 NW Corridor Blvd.
Jacksonville, NC 28540

Effective Dates:
September 1, 2022 – February 28, 2023

Point of Contact for questions regarding this Term Contract

Kathryn Bruce
Onslow County Purchasing
Email: Kathryn_Bruce@onslowcountync.gov
Phone: (910) 455-1750

Orders: All orders will be placed as needed in accordance with the terms and conditions and the Instruction to Bidders within Invitation for Bid No. 107-22DS issued July 14, 2022.

Transportation charges have been included in the Term Contract pricing as specified in the bid; however, User Agencies are urged to place orders at a minimum of \$50.00 to assist vendors in maintaining an acceptable transportation cost. Freight charges will not be charged on any orders over \$50.00.

Taxes: The County DOES pay sales tax. Prices shown on the Term Contract do not include sales tax. Sales tax will not be calculated on Purchase Orders but vendors shall charge sales tax on all invoices. The current sales tax rate for Onslow County is 7%.

Transportation: FOB Destination. Purchase Orders will contain a “Bill To” and “Ship To” address. All orders called in and paid with a credit card will specify a delivery address.

Orders must be received within fifteen (15) days from receipt of order. Records may be maintained on the delivery performance of all vendors. The results of this information will be evaluated and may determine the eligibility of the vendor to participate or be awarded items on future bids for this commodity.

The County reserves the right to reject any substitute product shipped that has not been awarded under this contract. The vendor will be responsible for return transportation charges.

All prices must remain firm during the contract period. The only time a price adjustment may be considered is if the company provides the County Purchasing Agent with an official manufacturer’s notice or other evidence that the price change occurred. The notice from the manufacturer must be dated and the price increase must have occurred after the contract was awarded. The Purchasing Agent must be notified **in writing 15 days** prior to any proposed price adjustments.

The point of contact listed above must be notified in writing 15 days prior to any proposed price adjustment. Such notification shall be accompanied by a copy of the manufacturer’s official notice or other evidence that the price change is legitimate. Providing this information does NOT guarantee that the price increase has been accepted by the County. The County shall reserve the right to immediately cancel the contract for that item if the requested price adjustment is not acceptable.
